I'm writing this on Tuesday, July 25. Vacation Bible School started last night, and once again I'm excited to see members of the Body of Christ serving our Lord and Savior with the unique skills and talents He has given them! From the registration table, music and games to lessons, snacks and crafts, each of our "stations" is led by followers of Christ using their gifts for His glory! And we are doing very important work! We are sharing God's love and showing God's love to the next generation, and I believe the children are not only learning but are also having fun while they learn! I can't help but think this puts a smile on God's face! So, thank you to everyone who helped in any way with VBS 2017. Your donations, input, time, energy and talents are greatly appreciated!
